Center for Independent Living of Northwest Florida, Inc.

Dear Business Owner:

The CIL Disability Resource Center (CIL-DRC) in Pensacola, Florida would like to provide you with the assistance you may need to bring your handicap parking into compliance per the Americans with Disabilities Act (ADA) and Florida Accessibility Code Building Construction, (FABC), Chapter 11.

CIL-DRC is your one-stop resource for free information about the technical aspects of handicap parking. We have prepared the attached information about paving/stripping companies, tax deductions and credits and signage to help you assist people with disabilities by removing any barriers that may exist that can prevent their access to your business.

If you think about it, access to your business by people with disabilities is an investment in your future. After all, people with disabilities are consumers too.

If you have any questions or require further assistance, please call Sherri Myers, (850)595-5566, extension 22. We appreciate your prompt attention to this matter.

Sincerely,
