### **Sponsor Statement**

The Americans with Disabilities Act 29<sup>th</sup> Anniversary Celebration and Volunteer Recognition Luncheon is an annual awareness event that brings together community leaders, businesses, advocates and the general public to celebrate the passage of legislation intended to improve the lives of people with disabilities all across the country. CILDRC aims to educate the community about the Americans with Disabilities Act and the impact it has for people with disabilities in our community. CILDRC will also showcase individuals in our community who are champions for people with disabilities and who recognize that better communities include ALL people.

Funds raised by the Americans with Disabilities Act Anniversary Celebration will directly benefit the programs and services of CILDRC. CILDRC is a 501(c)(3) not-for-profit organization whose goal is to promote independence for people with disabilities by providing advocacy, peer support, skills training and other services to foster personal empowerment and responsibility as a conduit for positive change. CILDRC is a leader and expert in connecting people with disabilities to community resources to help them achieve their personal goals for independence.

Participation in this event will demonstrate your support for the Americans with Disabilities Act, which is (in President George Bush's words) "the world's first comprehensive declaration of the equality of people with disabilities and evidence of America's leadership internationally in the cause of human rights".
